Pursuant to section 27(1) and rule 7(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014

PUBLIC NOTICE

Notice is hereby given that by a resolution dated August 03, 2026, the Board of Directors (**"Board"**) of the Company has proposed to alter the objects for which the prospectus dated December 12, 2025 was issued in connection with issue of **(i)** fresh issue of 47,530,864 equity shares at an issue price of INR 162 aggregating to INR 7,700 million; and **(ii)** an offer of sale of 9,259,259 equity shares at an issue price of INR 162 aggregating to INR 1,500 million, totalling 56,790,123 equity shares and INR 9,200 million. In pursuance of the said resolution, further notice is given that for approving the said proposition, a special resolution is to be passed by postal ballot. The details regarding such alteration are as follows:

1. Particulars of the objects to be altered

(INR in million)

S. No.	Particulars	Amount raised	Amount unutilised	Details of Variation	Balance post proposed variation	Revised timeline for utilisation

5.	Funding capital expenditure regarding acquisition of The Medicity Hospital, Rudrapur	Nil	Not Applicable	Unutilised amounts of Object 2 and 3, totalling to INR 648.32 mn allocated to this new object	648.32	FY 2026-27

Issue related expenses		567.23	NA	Not applicable	NA	Not Applicable
Total (including issue related expenses)		**7,700.00**	**648.32**	**Not applicable**	**648.32**	**Not Applicable**

2. Particulars of the proposed variation/alteration

The Company intends to deploy the unutilized amount of INR 648.32, allocated to objects 2 and 3 towards a new project involving the funding of capital expenditure for the acquisition of 'The Medicity Hospital, Rudrapur' as provided in the table in Para 1 above.

3. Reasons/justification for the variation

The Company has utilised more than 91% of the IPO Proceeds towards the objects stated in the Prospectus by employing them towards repayment of borrowings (INR 3,800 million), acquiring a 360-bed hospital in Agra (INR 2,453.18 million), while partially utilising the proceeds earmarked for the development of the new hospital at Rohtak (INR 195.19 million) and the purchase of medical equipment (INR 36.08 million). The balance amount allocated towards these objectives (INR 648.32 million) is proposed to be utilised for funding the acquisition of V3 Healthcare Private Limited, which owns and operates 'The Medicity Hospital, Rudrapur'. The proposed acquisition represents an imminent strategic opportunity for the Company to expand its healthcare network through the acquisition of an operational hospital with an established clinical infrastructure, patient base and experienced medical professionals. The acquisition is expected to strengthen the Company's presence in the region, accelerate revenue and profit generation and support its long-term growth strategy. The Board is of the view that deploying the unutilised IPO proceeds towards the proposed acquisition would constitute a more efficient allocation of capital at this stage and deliver superior value to shareholders over the medium to long term. The proposed variation would also enable the Company to maintain a prudent capital structure by keeping its term borrowings at a minimal level (INR 282 million as on March 31, 2026), while preserving the flexibility to fund the construction of the proposed Rohtak hospital and future medical equipment upgrades through internal accruals and operating cash flows as these projects progress. The proposed variation in the utilisation of IPO proceeds is therefore considered to be in the best interests of the Company and its stakeholders and is expected to create sustainable long-term value while supporting the Company's strategic expansion plans.

4. Effect of the proposed variation/alteration on the financial position of the Company

The proposed reallocation is expected to have a positive impact on the Company's financial position, earnings profile and cash flows for the following reasons:

a. The Company anticipates achieving operational and administrative synergies through the integration of the acquired business with its existing operations, resulting in improved efficiencies and optimisation of costs;
b. The deployment of funds towards a revenue-generating asset is expected to accelerate the realisation of economic benefits compared to the original object, the expenditure for which can be funded through internal accruals at a later stage.

The management of the Company is of the view that the proposed variation will ensure optimum utilisation of IPO Proceeds and maximize shareholders' wealth.

5. Major risk factors pertaining to new Objects

The Company has expanded its network through strategic hospital acquisitions and intends to continue pursuing suitable growth opportunities. However, acquisitions involve integration, operational, legal and financial risks, and the expected benefits or synergies may not be fully realized within the anticipated timeframe. Any failure to identify, complete or successfully integrate acquisitions, or the emergence of undisclosed liabilities, could adversely affect the Company's business, financial condition and results of operations. The forward-looking statements are subject to various risks, uncertainties and regulatory factors.

6. Name of the Directors who voted against the proposed variation /alteration

None of the Directors have voted against the proposed variation. Any interested person may obtain the copy of the special resolution along-with the explanatory statement free of charge at the registered office of the Company or from the office of its Company Secretary Mr. Abhishek Kapoor at Park Tower, Plot no. 521, Udyog Vihar Phase 3, Gurugram - 122022, Haryana or visit the website of the Company viz. https://www.parkhospital.in/investor-relations/shareholders-information for a copy of the same.
