RESPONSIBLE CARE®
OUR COMMITMENT TO SUSTAINABILITY

DEEPAK NITRITE
RESPONSIBLE CHEMISTRY

Responsible Care Policy

At Deepak Nitrite Ltd., we place the utmost importance on the health, safety, and security of our employees, contractors, customers, and the public, along with the protection of the environment in all aspects of our operations. As a Responsible Care company, we are committed to conducting our business in full compliance with applicable statutory and regulatory requirements and in line with Responsible Care Guiding Principles.

We strive for continual improvement in our Environmental, Health, Safety, and Security (EHSS) performance through the proactive engagement of all stakeholders. To achieve this, Deepak Nitrite is committed to:

- Embedding the principles of Responsible Care across all our sites, business, and decision-making processes.
- Implementing robust EHSS management systems that ensure risk-based, sustainable operations.
- Strengthening process safety, reducing waste generation, and minimizing emissions to air, water, and land.
- Ensuring all products and intermediates comply with applicable legal, safety, and environmental requirements throughout their life cycle.
- Collaborating with suppliers, transporters, customers, and service providers to promote the safe handling, use, transport, and disposal of our products.
- Sharing relevant hazard and risk information transparently with all stakeholders to support safe and informed usage.
- Providing timely and clear communication on our EHSS performance to employees, regulators, communities, and other stakeholders.
- Engaging with local communities and responding to their concerns with transparency and responsibility.
- Supporting policy development through active participation in industry forums and cooperation with government bodies, ensuring science-based and pragmatic approaches.
- Empowering all employees through training, awareness, and accountability in line with our EHSS objectives and performance targets.
- Allocating necessary resources to meet our Responsible Care commitments and drive continuous improvement.

This policy reaffirms our unwavering commitment to responsible chemical management, stakeholder trust, and sustainable growth, in line with our core values and vision for a safer, cleaner, and more sustainable future.
